INFORMATION LETTER

East Siberia State University of Technology and Management (ESSUTM), the Ministry of Social Protection of the Republic of Buryatia, Grodno State Medical University invite you to take part in the XV International Scientific Conference **“Forms and Methods of Social Work in Different Spheres of Activity”**, dedicated to the family as the foundation of national unity in Russia.

The conference takes place on September 17-18, 2026 at East Siberia State University of Technology and Management in Ulan-Ude, Russia.

The conference will provide a forum for the discussion and exchange of ideas, expertise, and experience among academicians, teachers of higher professional education institutions, specialists from social, health and educational organizations, government agencies and public organizations, and all the interested parties.

Areas of particular interest for the upcoming conference include:

1. Technologies for providing social assistance and support in emergency situations.
2. Social technologies of working with the family.
3. Social services for elderly and disabled citizens at home as a hospital-substituting technology: experience and prospects.
4. Forms and methods of medical-social work.
5. Public health and health care.
6. Problems of rehabilitation and occupational therapy.
7. Geriatrics and gerontology issues.
8. Forms and methods of social-psychological work.
9. Forms and methods of social-pedagogical work.
10. Social work as a part of social protection.
11. Social work at public health institutions.
12. Social work at educational institutions.
13. Social work at military structures.
14. Historical overview of social work aspects.
15. Current problems of migration in the era of globalization.
16. Current challenges in developing an independent quality assessment system in the social sphere.

The conference agenda includes the following events:

- Plenary meeting
- Section seminars
- Roundtable.

All reports and materials are published in the conference proceedings which will be uploaded on ESSUTM official site. The e-copies will be sent to all the authors in October 2026. The proceedings will be registered in the system of Russian Index of Scientific Citation (RISC).

The publication is free.

Accommodation and travel expenditures are paid by the attendees.

The additional excursion program is available on attendees' special demand on September 16-19, 2026 (extra fee) – See the information at the end of the letter:

1. Ivolginsky Datsan (Russian Buddhist Centre)
2. Lake Baikal.
3. Russian Old-Orthodox Museum
4. Dinner at restaurant, etc.

The registration will be closed on the 3 of September 2025. To participate in the conference the following documents should be submitted:
