Dr. VLADIMIR SHCHERBAK

Presented

RISK FACTORS OF DEVELOPMENT OF TROPIC DISORDERS IN NEWBORN CHILDREN

Attended the

5th World Summit on Pediatrics

20 – 23 June, 2019

BERLIN

The 5th World Summit on Pediatrics, BERLIN, Germany, 20/06/2019-23/06/2019 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 22 European CME credits (ECMEC®s).

Giuseppe Mele, Congress Chair

Each medical specialist should claim only those credits that he/she actually spent in the educational activity. The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme. Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
