Greetings from Qiqihar Medical University China

Dear President Dmitry N. Zaytsev,

During the past year, Chita State Medical Academy and Qiqihar Medical University have jointly made great progress in enhancing the mutual cooperation, and have strongly bonded with each other through a series of visits this year. I truly appreciate your contributions in deepening the friendship between our two institutions.

In the coming New Year of 2024, happy New Year to you and your family! Please also send our greetings for the New Year to all the teachers and students of your institution.

Prof. Zhao Guang

President of Qiqihar Medical University
